Feed My Starving Children

Founded in 1987, Feed My Starving Children (FMSC) is a Christian, non-profit organization committed to feeding God’s children hungry in body and spirit. Volunteers hand-pack meals specially formulated for malnourished children, which are sent to partners around the world where they are used to operate orphanages, schools, clinics and feeding programs to break the cycle of poverty. FMSC food has reached nearly 70 countries.

The Vision

With God’s help, FMSC will strive to eliminate starvation in children throughout the world by helping to instill compassion in people to hear and respond to the cries of those in need.
